

Note 1: match listings are as advertised/reported in newspapers, or found documented online.

Note 2: listings are incomplete, these are just the discovered events.

Note 3: "Promotions" or "Organiser" is the term for the main wrestling contact on any event. It is possible some are inaccurate.⁸

Note 4: notice any errors or discover any new event? Please email wciawrestling@hotmail.com.

Note 5: all counties are noted, but shows in Dublin and Belfast (which is in Antrim/Down) are simplified.

Note 6: all Relwyskow & Green shows are shared with George Connell Promotions.

Note 7: the Jim Brown who appears in the 1962 listing is Harry Browne aka The Black Owl. The Jim Brown who appears in 1963-1964 listings is his son.

Note 8: Strangler Stan Cooke sometimes appeared as Bulldog Bill Carter.

Note 9: Noel Ewart often appeared as Ace Mooney.

Note 10: variations of a particular surname i.e. Slogger Shields, Jack Shields, Buster Shields etc are usually just the one wrestler.

Note 11: Roy Lynn originally wrestled as Roy Digger Lynch.

Note 12: "debut" and "final found match" are only for local wrestlers.

Note 13: Rasputin originally appears and occasionally thereafter appears as Johnny Howard.

Note 14: any listings for Young Apollo before July 1974 are not Dave "Fit" Finlay. Any listings after July 1974 are.

Note 15: the four combined listings in 1958, 1960, 1992 and 1993 are a prologue and epilogue to the main period covered here which is 1962-1989. Eventually I intend to add all found listings from 1932-1962, and possibly from 1990-2002 as well.
